

ASSOCIATE/CONSULTANT TECH & HEALTHCARE INVESTMENT CONSULTING – MUNICH

ISP HEALTHCARE is a Munich based consulting boutique focused on investor strategy and advice in healthcare, life sciences, medtech and digital health.

Founded by former top-tier consultants we are partners to some of the most successful European investors and perform science-based assessment and strategic development projects for European healthcare and life science players. With an entrepreneurial mindset we also conduct our own investments in this space.

We are looking for highly motivated Associates/Consultants.

Your responsibilities

- Working on commercial due diligence and value creation projects in the DACH region and beyond (e. g., for healthcare providers, pharma or medtech companies)
- Contributing to market related tasks e. g., review and identification of relevant market and industry trends and market modeling
- Supporting on comprehensive company (e. g., business plan modelling) and competitive analysis
- Conducting interviews with leading market experts
- Developing a deep understanding of the business and the industry by performing a broad range of quantitative and qualitative analyses

What we are looking for:

In addition to outstanding academic achievement, we are looking for a sense of intellectual curiosity that will lead you to develop a deep understanding of any investor situation, and to generate well-structured and valuable answers to complex questions. We want people with the ability to think in logically structured ways, joined with the creativity to look beyond the obvious.

Your Profile

- Graduate degree in business, medicine, or sciences
- Strong interest in the tech and life science industry and in working with top tier investors
- Prior experience in strategy consulting, investment banking, venture capital, private equity, the start-up industry, or relevant healthcare/life science industry
- High academic success (top 15% of class)
- Entrepreneurial personality with a high degree of self-initiative
- Excellent communication skills, with the ability to explain complex ideas clearly
- Strong MS Office skills (Excel, Word, PowerPoint)

What we are offering

- A steep learning curve in a dynamic consulting environment with an attractive career trajectory
- Insights into the most exciting field of life science and healthcare
- First-hand experience in working for global mid/large cap private capital investors
- Learning from an experienced and collaborative team with flat hierarchies
- Working in a modern office in the Munich city center close to Marienplatz
- Frequent events such as team dinners or sports activities and employee benefits (e. g., qualitrain)

Starting dates: We offer Associate/Consultant positions throughout the year.

Location: Munich

Application Process

Please send us your CV, all relevant school/university transcripts, and employee testimonials. → recruiting@isp-healthcare.com

We will come back to you within 3 - 5 working days.
